Jacquie Pask and Kerryn Paolone – Moss Melbourne (Victoria)

Always on trend, Moss has enjoyed the revival of curtaining to give a space softness and warmth. "Moss presents a complete image – customers walk in and are inspired to recreate something similar in their own homes. The look is contemporary, with a focus on comfort and liveability," says Jacquie, whose experience in high-end hotel fit-outs ensures that Moss offers practicality, as well as a fine attention to detail. "People come to our store and like what they see. We can advise them on how to implement the look and feel in their own homes," says Kerryn, who has been part of the Moss team for more than six years. The philosophy at Moss is to work to a masterplan, to buy what you love and incorporate the pieces that you already adore, to create a space that is all about you. **Decorators' tip:** Buy investment pieces that are timeless in style and finish. You can be more adventurous with cushions and other accessories, as these are elements that are easy to change to instantly update a look. www.mossmelbourne.com.au.
